Modular Cabinet

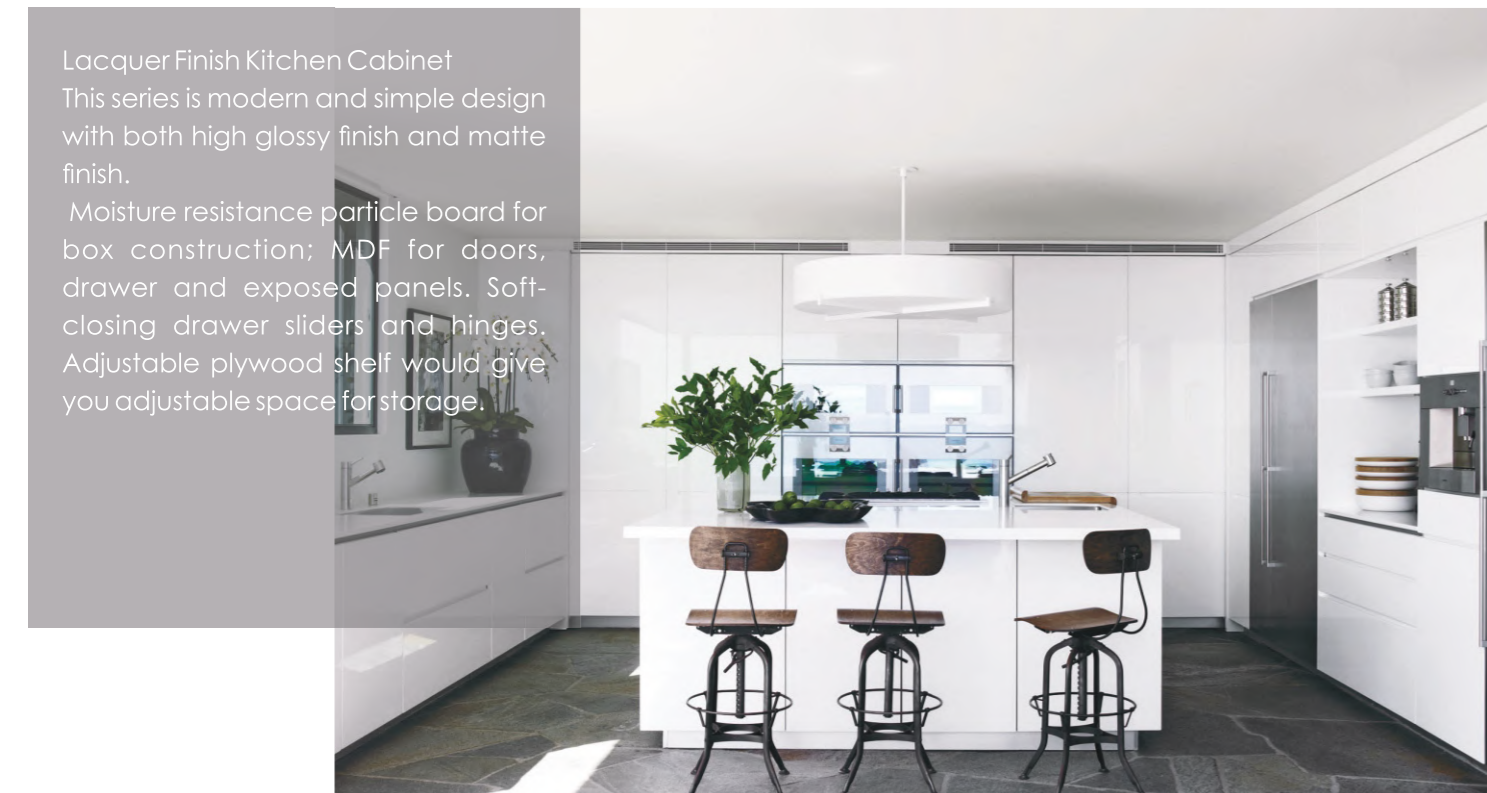

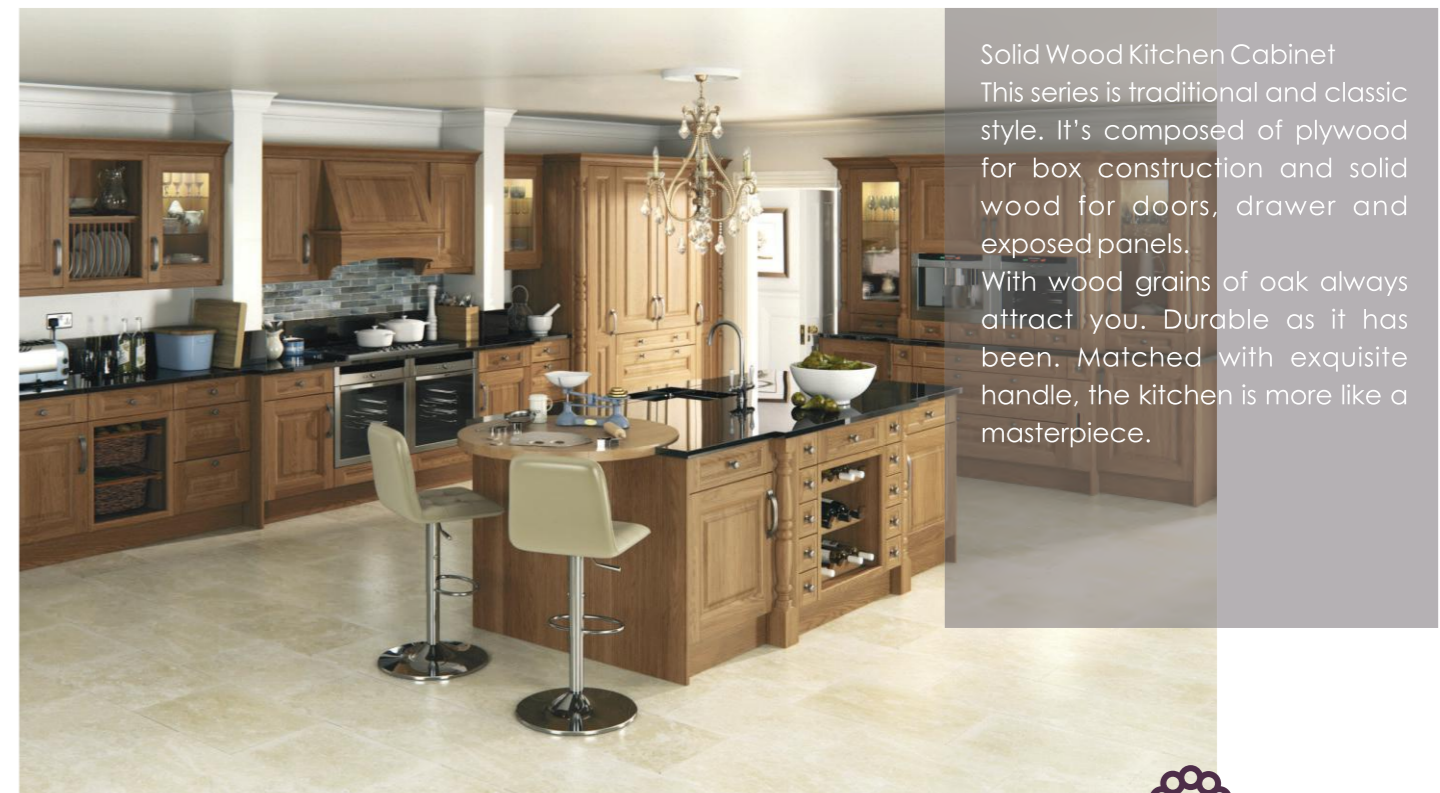

Timber Veneer Finish Kitchen Cabinet
This series makes the style of simple and design to be embodiment to the largest extent. Simply, yet luxury. Moisture resistance particle board for box construction; MDF for doors. Blum Soft-closing drawer sliders and hinges. Adjustable plywood shelf would give you adjustable space for storage.

Laminated Kitchen Cabinet
This is matte wood grain look kitchen cabinet series. It's modern and simple style. Moisture resistance particle board for box construction; MDF for doors, drawer and exposed panels.

Lacquer Finish Kitchen Cabinet
This series is modern and simple design with both high glossy finish and matte finish.
Moisture resistance particle board for box construction; MDF for doors, drawer and exposed panels. Soft-closing drawer sliders and hinges. Adjustable plywood shelf would give you adjustable space for storage.

Solid Wood Kitchen Cabinet
This series is traditional and classic style. It's composed of plywood for box construction and solid wood for doors, drawer and exposed panels.
With wood grains of oak always attract you. Durable as it has been. Matched with exquisite handle, the kitchen is more like a masterpiece.
