PRIME MINISTER & RULER OF DUBAI

◀ OUR INSPIRATION ▶

UAE Vice President, Prime Minister and Ruler of Dubai
H.H. Sheikh Mohammed bin Rashid Al Maktoum

The man behind enduring success, unrivaled leadership style and irrevocable strength. Sheikh Mohammed has played a significant role in Dubai's development by developing new economic sectors and capitalizing on the emirate's strength which is continuing to grow enormously.

His Highness Sheikh Mohammed bin Rashid Al Maktoum says that "maintaining the pinnacle of success is harder than trying to attain it"

H.H. Sheikh Mohammed believes that "the best thing a man can do is carry out his tasks to the best of his ability while serving his people and his country. In his opinion, rank is unimportant in comparison to one's deeds and achievements"

"We in the U.A.E. have no such word as 'impossible'; it does not exist in our lexicon. Such a word is used by the lazy and the weak, who fear challenges and progress"

- H.H Sheikh Mohammed bin Rashid Al Maktoum
